ITA INTERNATIONAL

SERVING THOSE IN THE ARENA
Creating a secure, stable, and sustainable world.

ITAGS GLOBAL SECURITY

ITA Global Security (ITAGS) provides a comprehensive portfolio of capabilities across the Operations, Training and Engineering spectrum of professional services and products with decades-long relationships within DoD and DHS.

ITA DATA SOLUTIONS

The ITA Data Solutions team, headquartered at the ITA Data Analytics Center (ITADAC) in Newport News, Virginia, provides Statistics/Machine Learning and Software Engineering to deliver customers value added and focused data analytic solutions.

ITA's integrated Quality, Health, Safety, and Environmental Management System applies the requirements of ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018 to Operational Support, Marine Engineering, Cyber Operations, and Data Analytics services for government and non-government customers worldwide.

DEKRA — Environmental Management System (ISO 14001:2015)
DEKRA — Occupational Health & Safety Management System (ISO 45001:2018)
DEKRA — Quality Management (ISO 9001:2015)
