

SkillBridge Opportunities with ITA International

Military members are you looking for your next career step after your military service? Are you within 180 days of transition? Discover opportunities to participate in training and development with ITA International!

SkillBridge is an excellent opportunity as you plan for life after the military. SkillBridge matches civilian opportunities to your job training and work experience at the end of your military duty.

During SkillBridge participation with ITA International you will continue to receive military compensation and you are covered by your military benefits. Release for SkillBridge is always mission-dependent and your unit Commander must authorize participation prior to entering into any agreement with interested industry employment partners.
